Notes

John Mertic called the meeting to order at 8:06 am US Pacific Time.

Opening and General Updates

Mertic reviewed the agenda.

Mertic shared the revised Project Review Calendar where projects would be presenting at their respective SIG meetings. Mertic announced the full migration to the new TAC site at <https://tac.lfenergy.org/>.

Grid Edge Interoperability & Security Alliance (GEISA) Presentation

Richard Lam presented the Grid Edge Interoperability & Security Alliance (GEISA) project. They explained the purpose and mission of the project and their roadmap timeline. Daniel Lazaro offered to be a liaison between AVEVA and GEISA. A discussion ensued among the TAC.

Mertic presented a resolution to accept the Grid Edge Interoperability & Security Alliance (GEISA) project at the sandbox level. Jonas van den Bogaard motioned to approve the resolution, Boris Dolley seconded it, and it was unanimously approved.

- RESOLVED: That the Grid Edge Interoperability & Security Alliance (GEISA) project is hereby approved at the sandbox level.

SIG Discussion / Updates

Mertic engaged in a discussion with the TAC about the SIGs and the status of each one. He shared insights and the 12-month goals created within them. The TAC ensued in discussion.

Mertic also provided details regarding the project review process within the SIGs. He reviewed the roles within the SIGs and mentioned some roles were still vacant, including TAC Liaisons. He asked volunteers to fill the roles.

Marketing and PR Updates

Dan Brown presented marketing, PR, and future event updates. He reviewed a list of upcoming CFPs.
